FINECO. THE BANK THAT SIMPLIFIES BANKING.

We founded Fineco on 3 main pillars: Efficiency, Innovation and Transparency. The keys of our strategy, still leading our sustainable growth

EFFICIENCY

Strong focus on IT & Operations,
more flexibility, less costs

INNOVATION

Anticipate new needs simplifying
customers' life

TRANSPARENCY

Fairness and Respect for all our
stakeholders

We built everything from scratch

Freedom: Freedom to start over «from scratch», build a new bank, **the best you can imagine**

Proprietary back-end: In-house development and automated processes allow an efficient cost structure and fast time to market

Excellent offer: Unique customer user experience, top quality in all services

We were true pioneers

Fineco anticipated a main market trend: digitalization

Moving customer's focus from proximity to service and quality

We believe in a "Quality" One Stop Solution

Providing all services in a single account is a distinctive feature but it's not enough.

Gaining a competitive edge requires high quality on each single service and product

Sustainability at the heart of Fineco's business model
